### City Recorder at Echo for Past Two Years Quits Post

A. O. CARDEN RESIGNS AND  
PLACE IS FILLED BY W. H.  
CRAHY, EDITOR.

(East Oregonian Special.)  
ECHO, Ore., April 12.—A. O. Carden who has been city recorder for Echo for the past two years has resigned his office on account of going to Portland to reside. The city council appointed W. H. Crahy as recorder to fill the vacancy. Mr. Crahy is editor of the Echo News.

Mr. and Mrs. Carden have been here for the past three years and during that time have made many friends who regret to see them go.

The Echo school board at their last meeting reelected the entire force of teachers now employed here, for the next school year. They are as follows: Principle, Prof. W. W. Green at \$140 per month; Mrs. Elizabeth Hamman, domestic science department and classes in high school \$100 per month; Mr. Earl Hamman, eighth grade and manual training, \$100 per month; J. S. Danforth, sixth and seventh grades, \$80; Miss Beulah Barker, third, fourth and fifth grades \$80 per month; Mrs. W. B. Hinkle, first and second grades \$80 per month. All of the teachers have not signed their contracts, but it is thought the majority will accept the positions.

City Councilman Wm. Oliver of this place has accepted a position with the O. W. R. & N. Co. as night watchman at Unatilla, Ore.

Mr. and Mrs. H. M. Buchan returned to their home at Pendleton after a few days visit here with friends.

Mrs. A. O. Carden went up to Pendleton this evening for a short visit before going to her new home at Portland.

HOLBROOK BLINN in  
"THE FAMILY CUPBOARD"

### "THE PAINTED SOUL" SHOULD BE SEEN BY EVERYBODY

A picture that can be recommended to everyone is "The Painted Soul" showing today at the Pastime for the last time. Bessie Barriscale has the lead in this wonderful story of the underworld and a bowery girl's regeneration. The story is a strong one, and has many pleasing qualities.

If you were not fortunate enough to get a seat last night try again tonight. Come early.

Tomorrow a new play will take the screen. William Fox presents Violet Horner in "The Marble Heart." This great dramatic actress is seen in the strongest play of her brilliant career. Anita Stewart and Earl Williams will also be seen in chapter 10 of the Vitagraph serial, "The Goddess."

### HOLBROOK BLINN IN "THE FAMILY CUPBOARD"

The Skeleton Walks Out of It, and is Presented by World Film.

World Film Corporation presents the five-part photoplay "The Family Cupboard," founded upon the successful Brady stage play of the same name.

The story, perhaps, cannot be fairly

described as altogether a pleasant one, but it is full of dramatic power and moral significance. The long arm of coincidence reveals father and son, unknown to each other, "keeping house" with the same girl, a vaudeville performer. When the skeleton walks out of the cupboard, i. e., when the truth is made apparent, there's much washing of dirty linen before peace is restored. The society wife's promises to think more of her home; the husband so deeply immersed in business will in future develop human kindness towards the members of his family; the son renounces Bohemia and all its ways.

Holbrook Blinn plays the part of the errant husband; and the equilib-

young Frances Nelson is the vaudeville star who enlivenes both father and son.

"The Family Cupboard" will be presented at the Alta theater tomorrow only.

The annual mineral output of British Columbia aggregates about \$30,000,000.

Located 4 1-2 miles south of Pendleton. O. P. Bowman, Pendleton, Ore.—Adv.

Sackleton Has Supplies.  
LONDON, APRIL 12.—A wireless dispatch from the Shackleton Antarctic expedition ship Aurora says:

"Two months' stores were left at Hut Point for the non-retained party. Ready stores only were landed for the party at Cape Evans. All the sledging rations were landed."

"The party is short of food and clothing. The ship had meager stores for main diet throughout our drift over penguin and seal. There were sufficient stores previously at Cape Evans."

In a German city garbage is collected, treated by a drying process and mixed with molasses to form feed for cattle.

Rubber, which was introduced into Europe in 1755, was used first for pencil erasers, next in waterproofing cloth.

Each man in the regular army is said to cost Great Britain \$1500 a year.
